

# Coverage Map - Canada

1xRTT\*

Coverage area as of June 2016. Actual coverage may vary and is available with compatible devices. Check [www.bell.ca/coverage](http://www.bell.ca/coverage) for future network expansions. Speed may vary due to topography, environmental conditions, devices and other factors. \* Theoretical peak speeds may vary.

Due to a change in our CDMA/EVDO coverage, you may notice slower data speeds in Canada starting July 1st, 2015. Visit [bell.ca/cdmanetwork](http://bell.ca/cdmanetwork) for details.
