

# USING THE PROGRAM GUIDE

The on-screen **Program Guide** provides a complete listing of the available channels and programs. You can use the **Program Guide** to change channels, to see what programs are scheduled, and to buy pay per view programs.

The **Program Guide** shows which **Favourites List** is active. If the **All Chan** list is active, the Program Guide shows all of the channels available from Bell ExpressVu. If the **All Sub** list is active, the **Program Guide** displays only the channels in your subscription. When another list is active, the **Program Guide** displays only the channels in that list. For more information, see *Using Favourites Lists* on page 3-12. The **Program Guide** shows programs that are on now and that are scheduled up to two days in advance. The guide does not show programs that have ended.
